OVASA's Lorelai takes crossover wins at SD & G weekend of shows

Devonshire's Alluring, FDJ, PCD, RN owned by Marlene Cockburn and Debbie Cook picked up a rare honour in the setter world where there is an often thick line between the field and show. At only 3 years of age, Lorelai fulfilled the dream of many a setter owner, taking top titles in both the ring and field in one weekend of shows!

- Saturday August 24th-Best Field Dog in Multiple Breed Specialty – OVASA.
- Sunday August 25th-Best Field Dog in Breed-OVPDC Specialty. and
- Monday August 26th-Best of Breed – SD & G All Breed Show.

Previously, Lorelai received her FDJ-Field Dog Junior in June of 2012.
She received her PCD-Pre-Novice Obedience in February, 2013 under Judge: Michelle Armitage.
She received her RN-Rally Novice August, 2013.
Friday August 23rd - entered in 2 Rally Novice trials - she received 2 more legs
-that makes 6 now.

2014 OVASA Specialty a success..... as usual!

There were so many great moments at our recent OVASA Specialty held in Long Sault.

Do I dare say Lorelai. Winning Best Field Setter in Specialty was a forever memory in the making.

Wonderful to see Briana Hall, so expertly showing the beautiful Lyr-ic. Briana is Bonnie Whitten's granddaughter.

Look, what can I say.....Best Veteran in Specialty, well done Noreena!

Anne Perkins, so beautifully represented in the ring with her Irish Setter brigade.....Joan Colbourn's perfect K.C. Veteran winner in Breed.

So many great moments, as I said....yes, with her usual flair, Miss Holly and her talented handler Susan Howe. Looking good ladies!

Mary Lou and Trace had a really good weekend. They represented the English Setters in Group at the all breed.....very very nice!

Thank you to all who pitched in and helped to make this Specialty special. Our show can not go on without VOLUNTEERS, great senses of humour, patience, dedication and a love for all our setter breeds! Thank you to all who helped!!!!!!

Rally Obedience

The fun isn't all in the show ring!

The purpose of Rally Obedience is to demonstrate a dog's usefulness as a companion of mankind, not merely the dog's ability to follow specified routines in the ring. Dogs who participate in Rally are dogs that have been trained and conditioned to behave in the home, in public places, and in the presence of other dogs.

The chief objective of Rally is to provide a fast-moving and motivational activity that demonstrates a handler and dog's competency in basic obedience exercises without requiring exact precision for success. Dogs in Rally events should demonstrate willingness and enjoyment. To that end, handlers may use praise, encouragement, and petting throughout the Rally course.

All participants in the Rally classes are required to perform the same exercises in substantially the same way so that the quality of the various performances may be compared and scored.

Colin aka 'Precious' came to live with us at the age of two through the kindness of Pauline Doherty after a sunny life in Mexico..... a truly mellow boy, he always loved to sunbathe and loved nothing more than his blanket or to get under the covers in bed!

Martin and Dena Woodward and Gibson miss him and will always remember him with love.

Age no problem as KC picks up another Rally title

Joan Colbourne's girl KC finished her CKC Rally award at the Stormont, Dundas and Glengarry Dog Show Aug. 24, 2013.

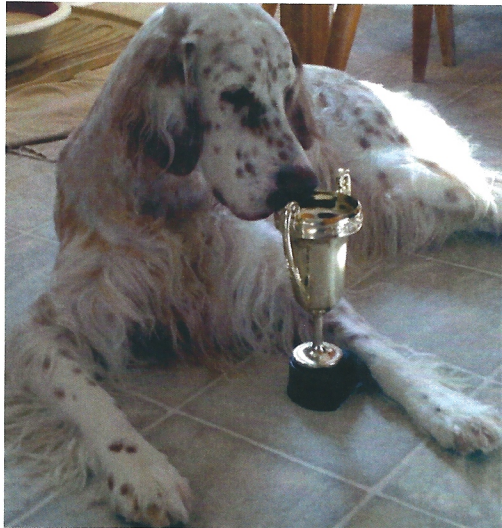

Judge was: D. Mackenzie.

Dog's official title is now, at age 10 1/2 years:

An ordinary fun walk that went terribly wrong

A fun event at the June OVASA BBQ at Joan and Ken Colbourne's place was a setter story competition! The winning story wasn't funny, but one that really strikes deep in the heart of anyone who has loved a dog more than they even knew themselves. The center of the story, shown with her trophy, was Lorelai. Debbie Cook is her person, her saviour, and storyteller.

"Lorelai, Teddy Bear, Sara and I went on a walk with Kathryn and Peanut plus a Dalmatian pup on December 7th. We met at Ferguson Forest but decided to head up the road to Rideau Park.

We were walking along in this park when I heard the sound of geese and ducks and so did Lorelai. She made a bee-line for the river which was a good distance away. I knew what was going to happen. I called in Teddy Bear and Sara-put them on leash and tied them to a tree.

I ran down to the river and saw Lorelai walk off the ice into the deep cold water after the geese. She came up in the open water and swam to the ice but couldn't get up. She kept on slipping off and was crying out in a terrible sound that still haunts me.

I jumped in and started across the ice to her but one or the other leg would break through the ice and then was stuck in the mud below the water making this an exhausting process. So I dropped to my knees and broke the inch thick ice with my forearms and hands until I had made my way out to her.

When I reached her my hands were frozen and I had great difficulty with her leash, which I just slipped under her collar. I was in deep water as I was not touching the bottom now.

That is the last thing I remember until at shore Kathryn was trying to lift me up. I said take the dog and I then crawled to the shoreline and walked myself up the bank to a standing position.

I removed my tops and Kathryn helped me put on her dry warm coat and she placed her gloves on my frozen hands. I then took Lorelai on leash and started to walk back to my car. I reached my car and dam, no keys in my pockets, must be at the bottom of the Rideau River but luckily it wasn't locked and the spare was inside.

Kathryn met me also at the car with my other two dogs plus her two. Inside my car I had other dry clothes that I put on, placed Lorelai in her kennel wrapped up in Kathryn's wool blanket and drove home.

Son Jesse took Lorelai to the warm fire downstairs as I hopped into a warm shower. Couldn't believe how dirty I was.

My hands swelled to a size I don't want to remember, I had fat unbendable sticks that were fingers for a day or so. My legs and arms were black and blue from smashing through the ice. I spent the whole winter bundled up as I couldn't get my internal body temperature warm.

The wisdom of my choice others can debate, but I couldn't stand on shore and watch her without attempting to save her. Next time I will stop and empty my pockets first before entering the frigid waters! But hopefully this will not happen again- I'm sure we both have learned our lesson!!"

And all the very best.....

A Genuine Win -- Win situation !

A highlight of the OVASA annual Specialty silent auction this year was four original setter paintings donated by one of our exhibitors, Diane Gray . Diane showed her boy Nick, Am/Can CH Windmoor's Knickers in a Twist, CGN. Nick, a Special, won Select Dog* (English Setters).

The paintings were of the four breeds of setters, but with a twist, all were focused on the field versions.

"Really, that's what they were bred for, right?" Diane said.

The variations are often subtle but the straight up tail on the smaller field Gordon was a giveaway! All were very popular items!

Diane and Dave Gray, Windmoor English Setters, near Brandford, Ontario, have been breeding English Setters for 16 years, usually having a litter only every three to five years, usually keeping one or two pups from each litter. Virtually all now Champions.

Diane "dabbled" she said, in field activities with her first homebred boy, Sheldon,

"I remember taking out my 'show dog' in the field and that tail went straight up in the air!! Never seen that happen any other time. Was very cool."

The first won't be the last, as she is now considering getting back into field with their two youngest girls, both now 2 ½ years old.

Non Show Guide To the Show World - (The Dog Show World for Dummies?)

For those of us not up on the details of the show scene, a Select Award is just that, not a class....an award....Select Dog and Select Bitch.

The only dogs eligible for these awards are dogs entered in the show as Specials Only. To be a Special, a dog must have completed its Championship. Your Best of Breed and Best of Opposite, winners although usually entered as Specials Only are not eligible for Select Dog or Select Bitch. They have already just won. The judge looks at his line up of remaining Specials Only, and at his discretion may pick a Select Dog and Bitch.

The Select Awards are very important for people who are trying to achieve a Grand Championship or Grand Champion X. on their dog. --- with thanks to Wendy Watson

OVASA's Lilo Volkmer honoured by Guide Dogs for the Blind

by Patick Hunt

OVASA's own Lilo Volkmer has been honoured with 5 others as top money raisers in the annual Walk for Guide Dogs! Lilo has been supporting the walk for 25 years and has never raised less than \$1,000 each year. Once again at Andrew Haydon Park Lilo was there along with members Patrick Hunt and Deana and Martin Woodward.

The annual eastern area walk to raise funds for the Manotick based Guide Dogs for the Blind now takes place at Andrew Haydon Park, Prior to that it was held in Manotick and the NCC Arboretum in the Experimental Farm.

The walks in the Experimental Farm were well attended by OVASA members with a light hearted competition between us and the German Shepherd Club as to who could bring the most walkers. The Shepherd club went one up on us by issuing coats for their dogs.

These walks were well attended and the Guide Dogs organization always arranged for great prizes for those individuals who had the highest donations, and a series of random draws for additional unique prizes. One year, one of our OVASA members took home the grand prize of two tickets anywhere Westjet flew.

The change of venue to starting at the Guide Dog facility in Manotick and walking through the village, exposed the local residents to the fact that Guide Dogs were local and supported by a large section of the community. The walkers always included individuals who were using their services, pure breed clubs and the general public.

The support from OVASA has dropped significantly with the exception of Dena & Martin and the longest term supporter Lilo.

Lilo Volkmer cashing in

Martin Woodward ready to go

Lilo and Dena Woodward

In the draw Lilo won a number of dog related items, while Martin won a voucher for a fitness club and I won an individual dog training session. Both Martin and I returned the items so they can be offered at another fund raising event.

I hope that the turn out next year will include other OVASA members in this worthwhile event for an incredible organization.

Our 2013 Specialty Judge..... Aussie Peter Frost

This year's Specialty judge was Peter Frost of Australia. Mr. Frost has been judging the sporting group since 1990 and setters were among the first breeds he qualified to judge. Understandable as he is an Irish Setter breeder himself.

Mr Frost seems to have enjoyed his time with us as much as we enjoyed having him. He posted the following comments to the OVASA Facebook page:

"Just back home in Australia. I would like to thank you for the honour of judging all those wonderful setters. As a setter person I cannot say how great it was to have the opportunity to go over so many wonderful dogs. Thank you again to the Club for the invitation and to all those who showed. I would like to wish the Club and all exhibitors continued success in the future.

Peter Frost"

And keeping it all togher

Our Ring Stewart Francoise Bernier

Every year the OVASA Specialty goes off virtually without a hitch. And while there are many club members who get the credit for the planning ahead of time, when their jobs are done and there is nothing more they can do, there is one man who appears on the day of the show and who makes a year of work come together and unfold perfectly. Often unnoticed by any but the exhibitors, the Ring Stewart ultimately holds the key to success or mess!

Francoise Bernier, a breeder of Vizulas and German Shorthorn Pointers near Gatineau, gets the exhibitors to the ring on time, keeps the judge organized as to who and what is in the ring and who is on deck. Misunderstandings, and mistakes do happen among the many handlers often working with several dogs among several shows, and life gets complicated in a three breed show compared to single breeds in the neighbouring rings but no one notices. Francoise handles everything, everyone and every dog with grace, patience and kindness.

He is the one who hands the judge the right ribbons and trophies and plaques.... but here he has a secret. Sitting quietly, almost hidden among the display of colourful ribbons and gifts, is his sidekick, OVASA's Lori Wicket keeping track of the awards and ensuring Francoise and the judge get it right!

Annual fun Field Day

Why life is better with a setter

(choice of colours available!)

In spite of a valiant effort and the encouragement of an Irish fan, 'Hot dog in the bucket' event Champion Miss Holly, failed to keep her title at this year's Fun Field day at Debbie Cook's.

**New Champion is English Setter Lyric!!
Congratulations to a great athlete, and her
sponsors Bonnie and Frank Whitten and Lori
Wickett.**

The very last sport you would expect to find a setter participating in!

"The Irish Setter, besides being crossbred with huskies, has been run on many a team and done well. His long coat and leg hair hinder in some snow conditions, but his rangy conformation and endurance enable him to complete a 15-20 mile course in good shape, often at or near the front."

A 25-mile track record was set at Ashton, Idaho, in 1935 by Don Cordingly and seven Irish Setters, traveling at about 13 1/2 miles an hour."

In the late 1920s, a dog sled race from Truckee to Tahoe City and back was held. That event was won by Fred Prince, with a team of Irish Setters.

Thula Geelan, from McCall, Idaho, was the first female to match her skills and endurance against men in the international sled dog racing circuit. In 1931, on her third attempt, she won the Tahoe Dog Derby beating seven men, some of them among the most noted drivers in the world. The 60-mile competition was held during a raging snowstorm, but Geelan and her team of Irish Setters finished in less than six hours, winning the \$1,000 prize.

Way to go Carannagh's Callen, Georga, Jenny and Ciara!!!

Anne Perkins reports some important wins. Her boy Callen (Ch Maronova's Summer Inspiration CD, FDJ, RN x Ch Carannagh's Georgia RN) completed his Canadian Championship at 16 months with a Group 4 after very limited showing. He was also awarded 8 Best Puppies in Group, starting at 6 months, and has completed one leg on his Field Dog Junior (FDJ) title.

His mom Georgia (Ch Hilloch's the Fire Within x Ch Carannagh's Lindy O'Burgandyrun FDJ RN) completed her Rally Novice (RN) title with a perfect score of 100 at SD&G in August and was the recipient of the Select Female award at the Irish Setter National. Because of these two wins, Georgia was awarded the Irish Setter National Versatility Title. She is the fourth Carannagh dog to receive this honor which is given to the highest accumulative score in 2 or more events at the National Specialty (conformation, plus qualifying in one or more of the 4 performance events). Her mom Lindy and her Aunt KC (Joan Colbourn's girl) were previous Carannagh recipients of the award.

Callen's sister Jenny (Carannagh's Siannfair) is doing exceptionally well in obedience and agility in Southwestern Ontario. She has received her RN title (scores of 98, 99 and 100); completed two legs of her Rally Advanced title (1st place, both legs); and earned her Pre-novice Obedience title. She has also gained first place honours in a variety of CPE agility trials with no faults. Jenny is much loved by David and Jean Bruce who take great pride in Jenny's accomplishments.

Meanwhile, Ciara (Carannagh's Mo Ciara Lin), another of Callen's sister, is on her way to her Canadian championship and is in training for field work with Ray Rowan near Peterborough. She is Maureen Sargeant's pride and joy in Kingston.

Irish Judge set for 2014 OVASA Specialty

by Wendy E. Watson, OVASA Specialty Chair

Hi Everyone: OVASA has an amazing opportunity to have, as our judge, for the 2014 Specialty, a gentleman from Ireland! As there was a very very small window of opportunity, we have made the decision to invite Mr. Michael Leonard to join us and judge our four setter breeds at SD&G next August, 2014. To my knowledge, we have never had a judge from Ireland. This should be fun.

2014 Sweeps judge decision needed

Next, I would appreciate your suggestion for someone to judge Sweeps and Veteran Sweeps in 2014.

Here is a list of the nominees to judge our Sweeps at our Specialty at SD&G. All have accepted the nomination. Its now up to us as to which one gets the job!

Helene Viaud English Setter Breeder and Irish Setter Breeder

Keri Chard Savage Gordon Setter Breeder

Robert Mellis Gordon Setters and English Setters

Please get your vote in to Wendy by Oct. 20th, 2013 any way possible!

Wendy's email is wwbirdie1@gmail.com and phone number is **613-283-4150**.

from your editor.....

Its a pleasure to put together the club's newsletter when its full of club news, photos our Specialty and more, submitted by our human pack members who have taken the time to write up, photograph and submit their news about our canine pack members. Thank you! *Specialty page 9*

Its always sad to report the loss of a pack member, and we all silently share with Deana and Martin the pain Colin's passing has brought. The trouble with the dogs we love so much is they don't live as long as we do! *page 5*

So we learn to treasure and celebrate the arrival of new OVASA furry pack members. It is a great pleasure to watch the Gordon component of the pack finally increasing again! Congratulations to Alistair on the success of his, literally, world wide search for the best Gordon Setter, who is now a transplanted Aussie, of plantinum American lines. Its been a big month, new home, new continent and still pulled Best of Breed out of puppy class over 4 specials on September 27th! A very rare accomplishment! Way to go Alistair and Player!! *pages 2, 3 & 4*

Debbie Cook's English girl Lorelai has well repaid Deb's heroism, earning Best of's in both field and the ring at the SD and G Show in August, and some Rally O accomplishments for fun! Wow! That kind of versatility and success is a rare accomplishment. *page 1*

Karannaugh Kennels dogs have been out proving the Irish are not be left out in the list of OVASA Pack accomplishments. *page 6*

Great club turnout at our social events this year has gone a long way to proving that the pack that plays together has more fun! *page 8*

And how much do we really love our dogs? ...*page 7*

Of course, behind every great dog (and every Setter is great) are great people! Together we make a great pack! See you next at the AGM, Saturday Nov 2 at Anne Perkins house!
